Contact: Chris Collins, (618) 315-5462, managemvaa@mvn.net

The Plane & Pilot Midwest LSA Expo is “*The Place to be for Sport Aviation This Fall!*” See over 40 Light Sport Aircraft, including Part 103 and Gyroplanes on one easily accessible and demo friendly flightline. Shop for the latest in aviation gadgets in the Wicks Aircraft & Motorsports Exhibitor Hall. Sit in one or many informative seminars/forums presented by the best in the industry. It’s all here. It’s September 6 - 8, 2012. And it’s at Mt. Vernon Outland Airport (KMVN), Mt. Vernon, Illinois!

ALSO FEATURING:

- The debut of the ultimate bushplane, the “Superstol” by Just Aircraft
- The world’s first fully aerobatic LSA, the Lycoming Powered FK-12 “Comet”
- Kitplanes Magazine’s September Cover-gal – the Arion Lightning LS-1, new tail feathers and all
- The “FlyCool” air conditioned LSA - Alto, Tecnam, and Sport Cruiser
- The Rotax 582, 65hp, Challenger Light Sport

A one-time entry fee of \$5 allows access to the fun for all three days. Great prizes will be raffled on the hour, every hour, with winners notified via text or e-mail courtesy of ProjectResourcesIT, LLC.
