September 8 - 10, 2016

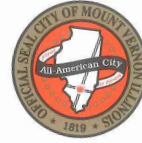

Midwest LSA Expo 2016 is dedicated to
Dr. Robert "Bob" C. Dalzell Jr.

Welcome to MT. VERNON ILLINOIS

OFFICE OF THE MAYOR
CITY HALL

MARY JANE CHESLEY

CITY OF MT. VERNON
1100 MAIN CITY HALL
MT. VERNON, ILLINOIS 62664

618-242-8000

Welcome to the 8th Annual Midwest LSA Expo in Mt. Vernon, Illinois, September 8-10, 2016. The expo is focused on light sport aircraft including manufacturers and ancillary services. I am very pleased to welcome the manufacturers producing light sport aircraft and the other exhibitors to this event and pleased to be part of promoting general aviation.

While you are here for the LSA, Expo, the City Council and I invite you to get acquainted with our community. The City of Mt. Vernon is a small city with big city amenities and attractions: an aquatic center (the Aquatic Zoo), Market Days (at the Armory) this weekend, the Daughters of the American Revolution monument to women in service at the Brehm Memorial Library, fine dining and retail establishments and Cedarhurst (a world-class art museum and sculpture park) featuring the Cedarhurst Craft Fair this weekend. We hope you enjoy your stay in Mt. Vernon; a great place to live, work and play.

This event is designed to also highlight one of our most outstanding amenities, the Mt. Vernon Outland Airport. Outland Airport features a full service FBO, expert mechanics, knowledgeable line service personnel, flight instruction, aircraft rental, aircraft sales, and other services such as the legendary Wilkey's Airport Cafe. With a fully equipped air rescue and fire-fighting station located on the field as well as Air-Evac Lifeteam XI, both staffed 24/7, Outland Airport is one of the safest places to be. Space is available at Mt. Vernon Outland Airport for additional aviation-related businesses to grow from this centrally located region of the country.

Local volunteers interested in helping their community and want to be part of the aviation industry, have stepped forward to help. The airport authority board and staff, City of Mt. Vernon, Jefferson County Development Corporation, and the Jefferson County Chamber of Commerce have also worked together to make this event possible. Corporate sponsors, local sponsors, and our volunteers, make this event run smoothly. Thanks to all.

Please enjoy this expo and enjoy your time in Mt. Vernon.

Sincerely,

Mary Jane Chesley
Mary Jane Chesley

In Memory of Dr. "Bob" Dalzell Jr.

Dr. Robert "Bob" C. Dalzell Jr., 70, gained his eternal wings Monday, May 30, 2016, doing what he enjoyed most..flying his plane. Robert was born October 11, 1945, in Carlisle Barracks, PA, to the late Dr. Robert and Ethel Dalzell. He graduated from Kentucky Wesleyan College, received his medical degree from University of Louisville School of Medicine in 1972 and completed his internship at St. Mary's in 1974. Robert worked as a Board Certified Family Practitioner and also an Anesthesiologist before retiring from his practice and working full time as an anesthesiologist at Owensboro Health Regional Hospital. He was dedicated to his profession and cared deeply for each and every patient he touched throughout his 40+ year career. He was a member of numerous flying clubs and associations. Robert began flying as a student at KWC and his love of feeling one with the sky never stopped growing throughout the years. If he was not at work, you could find him hanging out in the airport hangars, at The Ayer Flying Club or out to eat with his fellow flying brothers. Dr. "Bob" was a regular attendee at Midwest LSA Expo. In 2013 and 2014, he operated his SeaRey from the airport lake. Midwest LSA Expo dedicates the 2016 event to Dr. "Bob".
